**HISTORY/FACTS/ISSUES:**

The Board of County Commissioners approved a resolution on October 13, 2009 setting the Public Hearing for public right-of-way vacation on November 24, 2009.

Right-of-way south of CR-44A was deeded to the County for the CR 139 extension before the decision was made to realign CR 139 to intersect with SR 44 and Signature Drive to create a four-way stop. The right-of-way is now unneeded due to the realignment.

Additional prescriptive right-of-way is also included in this consideration as it is unneeded due to the realignment.

The attached resolution if approved will allow the public right-of-way to be vacated.
